**Are you a small business
looking to:**

- ✓ Implement a time and attendance software solution that simplifies and automates the calculation and tracking of employee work hours, including overtime?
- ✓ Eliminate "buddy punching"?
- ✓ Reduce administrative costs?
- ✓ Integrate time and attendance with your payroll system?

Midex Time Control Small Business Edition is ideal for businesses with up to, but certainly not limited to, 50 employees and one location. It has an easy-to-use interface, so you are up and running in no time at all. And, because it's a cloud-based solution, you can access it from any computer...anywhere!

The cost is just \$1 per employee per month (min. \$25/month). There is no limit to how many employees you can add; you only pay for employees that have registered at least once during the month.

Hey! I'm running late again! Can you punch me in?

Eliminate
"buddy punching"!

No problem! Got you covered!
